

# Miracle Day Update!

## Breathing Out the How and Breathing In the Why

During the second week of March, you will be receiving a letter introducing our Miracle Day Local Funds Campaign. We are pleased to be starting this campaign during the season of Lent, while the congregation is being called to “Take a Deep Breath” and remember who we are and why we do what we do. Miracle Day has great spiritual potential for our church, if we approach it with the right spirit.

If we slow down to consider how a renovated sanctuary can bring new life into our worship and evangelism, how outside facility repairs are an investment in our congregation’s future, and how a neighborhood prayer garden can open our ministries to the community, we will realize that this is much more than a beautification project. If we breathe out the “How” of Miracle Day, letting God worry about the details for a bit, and breathe in the “Why”, allowing God to open us to the full spiritual impact of this experience, we will be blessed.

We hope that you will catch the excitement our Committee has for this adventure and will be moved to support it to the fullest extent you can. The Committee has pledged \$4,450 already. We are inviting you to contribute on the schedule that suits you best, all at once when you can, or over the next few months until the end of August. A box will be provided for you to deposit gifts or cards stating your commitments. We hope you will make this decision guided by prayer, in a spirit of hopeful expectation and joyful trust.
